

Take a ride along the Cairns Esplanade on the **Brike!**

The Brike is a tricycle style, e-bike with a platform to safely carry a rider and wheelchair passenger allowing people with a disability to enjoy the benefits of cycling.

With travel speeds up to 10km/hour, the bright yellow bike has been specifically designed for people with disability and their families.

Cairns Regional Council has partnered with the Queensland Government and Spinal Life Australia to make the Brike available for hire at Spinal Life Healthy Living Centre, 2-4 Smith Street, Cairns North, QLD.

SCAN TO BOOK

\$35 half day

\$70 full day

The Brike has been designed with a very comfortable upright riding position for great vision and a relaxed feel.

The seated passenger is in a lower, upfront position for an exhilarating 'wind in your face' cycling experience.

KEY FUNCTIONALITY

- 1** Battery power assist that enhances pedal input and allows the rider to maintain a comfortable speed.
- 2** Heavy duty disc brakes on all wheels to allow the rider to stop quickly and smoothly.
- 3** Front wheel steering that minimises steering effort and turning circle.
- 4** Fold down ramp that enables comfortable passenger loading and unloading.
- 5** A lap seat belt and wheelchair restraints for secure passenger transport.
